“ I'm so sorry to hear about Gerry's passing. We worked together and became good friends. We'd cut up and have the best time together. Anytime I saw her out, we would pick right back up where we left off lol. I love you girl and I'm going to miss you. ❤️

“ *She’s always been an amazing strong woman. The best Mamaw in the universe!!!! I’ll miss everything about her. From the at peace feeling you get when your visiting her home to the amazing cooking and to always having treats scattered around. The coloring books and crayons when we was kids and watching my kids light up with the awesome toys she kept around for all of them. I’ll miss her smile and her smell and most of all her hugs. I love her so very much and she will be so very missed. Your our angel in heaven now*

I am so sorry to read of her passing. She was one of my best friends when we were in Elementary School. I was so happy when she would bring Arlis to school at lunchtime. We brought our lunch or went home to eat. Geraldine was a beautiful person inside and outside. May you Rest In Peace my beautiful friend.
