“ Wanda: I'm so sorry to hear about about Geraldine's passing. I know that this is a sad time, but I wanted to share a funny memory that I will always carry with me. You may remember that she used to cut my hair many , many years past. I remember one time, I came over to her house to get my hair cut and she was extremely anxious, because she had just taken a test for her license. I was so nervous and worried as she she talked on and on about the test. I was afraid that her mind wasn't on cutting my hair that day, so I politely excused myself and told her I would come back later. I found out later that she indeed did pass the test. She will sadly missed by all who knew her.
