“ As I sat here tonight, I am still in shock and disbelief. I cannot imagine this as being real. Lee is the reason I am still in paramedic class today. He had faith in me and told me that I would get through it and he was always there to answer my questions. I worked with Lee at Clay County EMS. Emilee, my thoughts and prayers are with u and the boys. If u ever need anything, please call on us at Clay County EMS. You are a part of our family forever. Lee may be gone but he will definitely never be forgotten. Love and prayers going out to all involved. RIP clay county EMS unit 680. U have earned ur true wings brother. Watch over the rest of us as we strive to be half the responder that u were.

“ Just wanted to let you know that we are praying for you, your children and all of your family. My husband is Tim Roberts and he use to work with Lee at Clay Co. EMS. My husband just started back to work for them last Tues. He talked to Lee Thursday morning when they met to transport a patient to TN. Lee told him that he was glad that he was back and they were going to be partners on Thursdays but, that he had to fly that day. They made plans to go out and eat somewhere good next Thursday to celebrate being partners again. Tim was at the station that night when Air Evac went over and then went to the crash sight. It broke his heart. He was so thankful that he got to see Lee and talk with him one last time. It touched our hearts when we found out that he got to visit with you and your children that day also. We are so sorry for your loss and please just know you will forever be in our thoughts and prayers.

“ I had the pleasure to get to know Lee at KCH. He was so proud of his a family, and a great person to just be around. He had a great outlook on life, and so caring to his patients. He has his real wings now, but will never be forgotten. He will always have a place in all of our hearts at Knox county. I know God will look over your family, bless you all. With much love the Johnson family.
