Jack always treated me with respect. Even as a teenager coming to Bob's to buy Levis and Bass shoes with money earned working in tobacco. He made a lasting impact on me on how to treat people.

“ We will miss seeing Jack sitting in that big rattan chair just inside Bob's every time we walked in. There were two places that were the first places we visited each time we came home. Either Bob's or Weavers. Jack, Georgie and Bobby Jo have been longtime friends. Mother has many stories of Jack and Georgie and Dad and Mom that she tells over and over. London isn't the same without Jack sitting inside Bob's. Lovely memories.
