“ *KIM and FAMILY*

So very sorry to hear that your father "James" has passed away. As his former brother in-law I have many fond and special memorials I can recall as we served in the US Army together in Germany, would often go with him as co-pilot on the 'BIG RIG" to various parts of his run when I was visiting. And of course the saddest moment in all our lives was when we lost your brother JIMMY and my son MARK SAYLOR so tragically in April 1969. My thoughts go with and are of you and each member of the as you mourn a most loving and dearest fathers' passing.
