“ I'm so sad to hear this. James practiced in my court for many years. He was a consummate gentleman, representing his clients zealously and professionally. I will miss his kindness and humor. He was a good man. I will keep his family in my prayers. John Knox Mills

“ *My very first memory of Jamie was 8th grade & the Spelling Bee he won. I remember being new in that school and this was when we became friends. So smart, funny & charming. Always brave enough to speak up even when (& especially when) he knew it might make waves. My entire high school experience was shaped, in part, by him & I'll always be grateful for those years with his friendship. His family is in my heart and I pray for their healing. I'm sure he's "up there" watching us & making jokes, as we speak ❤️ Zaida*

“ James and the other attorneys at Edward's and Hodge Law Firm taught me how to be a paralegal. For a few years I was James's paralegal. He was very patient with me as I learned all the ropes. I have a lot of fond memories of those years. There were a lot of laughs and jokes throughout the office. Sometimes if he didn't feel like working, if Susan was home, we would go to the house while he played video games and just hang out. My prayers to Susan and their boys and his loved ones.
