“ *I'm so sorry for your loss he's all of the kind words and more I never will forget the first time I met James my car lights went out and there just happened to be a state trooper sitting beside the road I pulled in a parking lot. He called James to come get my car. He took it to his and Wayne station and garage it was a bp on 192 he fixed it and I was able to drive on home. Then much later the girls became some of my best friends and Bert to of course. Angie was one of Marty's classmates and friends. Such good memories. Doris Wright*
