“ Hi grandad, you would be proud of me. I just moved into your house this week. I'm going to fix it up like you had it. I love you more than I could ever put into words. When I was in arizona, I found you in a hummingbird. I'll get your garden back into shape so I can find you again in another hummingbird. I love you more everyday.

“ *My heart breaks for Jim and his family. Jim was one of the kindest gentlemen that you could ever meet. When you think of the word family, think of Jim. He cherished his family, and they were his world. He always had a warm smile and kind words every time he saw me. The world lost a great man yesterday, but Heaven gained a dedicated Angel. RIP Jim, we will miss you. -Jack Patterson*
