“ Chris, I remember your mother as being a kind and gentle spirit. She was so very proud of you and always had lovely things to say about you whenever I would see her around town or in the neighborhood. Mothers are precious; they are our first teachers, our first friends and our first and most important example of morality & the love of Jesus. Yours was no exception. I hope and pray that God will grant you peace and surround you in love & light in the coming days and weeks. Much love and prayer to you & your Dad.
