“ I'm so sorry to the family for the loss of Jason. I've known Jason and Corey since we were kids. We were neighbors. So many memories over the years...cookouts, hanging out in the driveway or yard just chatting. The whole family has always been nothing but good to me and this loss hits the heart a little harder. Jason was a good guy and a good friend. He will be missed by everyone that was blessed to know him. The only comfort is knowing he's in a place now where he will know no more sickness and able to walk again. My thoughts are with the family. 🙏

“ I hate to hear the passing of Jason. He was my high-school sweetheart. I spent most of my teenage years with Jason. Sitting on the front porch hanging out, going to the movies, going to the carshow/streetdance up at sonic. going to the prom together, hanging out on weekends, graduating together from the age of 13 till 19. I thank God for the moments we shared and the memories I have now. Jason was one of a kind and he will be missed dearly. My heart goes out to the family. I will be praying for your hearts to be comforted.
