“ Andrea & Tim,

I am so sorry to hear about your mom. She was such a kind sweet person. I have many wonderful memories of her. I don't think I ever saw her that she did not tell me about you and your family. She was so proud of you and loved you with all her heart. She was a lovely person inside and out. She will be missed by many.

“ I have such fond memories of going to Aunt Lois and Uncle Brutus's house and playing with Jerry Ann. Though we lived in Indiana and didn't get to see them more than once or twice a year, I always looked forward to going there. Jerry made us feel welcome. I remember once she and I were trying to make apple cider from crushed apples and water. It tasted pretty good.

“ Jerry's my First Cousin. My husband of 52 years once said if any thing ever happened to me, he was going to look Jerry up. Always had a smile and lived her life to the fullest, even though her body was in pain. I'll never meet a better person.
