“ Dad, I know we didn't have the regular normal father daughter relationship but the years we did have together, I'll cherish them forever! Getting to know you and building that bond was great, I really enjoyed that ❤️ I'm most happy that I got to see you and meet you in person after years of talking on the phone. Also seeing you running around laughing and playing with DJ and Corbin, your grandson's as well as spending my 36th birthday in KY with you, will forever be my best memory together! I hope you're at peace now pop a top lol ☐
