“ I know that you are not hurting or suffering anymore and you are young again and that's the advantage of passing away because you get to be with the Lord and your family that has passed away but it hurts so bad that you are gone. I have enjoyed working for you all and I loved you so much my heart is broken. But I know one day I may surprise you and come to see you again next day. I love you Jay and I will miss you so much you are a amazing person.

“ I’m so very sorry for the passing of Jessie, she was a good friend for 42 years. She was and is loved by so many, few can equal to her status. She is an end of an era and was so very Blessed by God! I know she’s singing with the angles! My prayers for the family.
