“ *My Uncle Jim was funny and had a huge heart. It's hard to believe this photo was taken 11 years ago. Time certainly does get away from you. I wish I could be there but my work has scheduled out my time for this week. Your service was scheduled last minute and before I found out about it I will need to be at Purdue for my job. I know you would understand this and you know how much I loved you.*

*Tubby I send my love to you! I know how much you meant to each other.*

*I plan on being down this weekend.*

*I love you all and really wanted to be there.*

*Love you Uncle Jim and I will miss you.*
