“ Jimmy and I were friends since High School. He was driving my car when we had a tragic accident and I lost my right arm. He was devastated. I convinced him that God had a plan and we were both blessed to be alive. He went on and became a Security Officer and Church Hill Downs. I moved to Texas and went into Law Enforcement. We talked often on the phone and shared many stories of our profession. He retired from Church Hill Downs and I retired as Chief of Police in Celeste TX. We shared many pics of our grand children and many hours laughing about the things we dealt with in our careers. He was a great friend and Christian brother Our love and prayers go out to Brenda and the kids and grand kids.  
Love you all

“ What can I say about a guy like Jimmy other than he was a genuine and honest man that was true blue and a lifelong friend of mine! I was his big brothers(Louie) best friend all thru school and spent a lot of time with them both. We lost contact for many years only to find each other again back in 2003! I always thought he was heroic in the way he survived polio for many years! What a guy and I'm proud to have known him!!

“ I remember the day Brenda brought Jim home and introduced him  
to me and Dad for the first time. I could tell she was different around  
Jim. This proved to be true as they were married and had a  
wonderful family together, which continues to grow.

*I look forward to seeing him again on Resurrection Day, as we are  
awakened by our Lord and make that glorious trip to Heaven  
together.*

*God bless us all as we seek guidance and comfort from the Lord  
daily.*
