“ I met joan when she was nine years old, I was dating her brother she was a beautiful dark haired little girl with curls. I went on to marry her brother, and a few years later she married my brother when she was fourteen , as well as being good friends we were now sisters twice. We had a lot of good times together and a lot of memories before and after she married my brother. We would think back on certain things and have a good laugh about it. She was a very special lady who loved her husband her kids and everyone else. She loved her family and there was nothing more precious to her than that. She was always kind and gentle we never ever had any bad thoughts or hard feelings toward each other ,we were just friends and sisters. I love joan with all my heart always did always will. She was a god fearing woman ,and she loved god and her relationship with God was good, she was ready to go when he called. Someday we will meet again in gods kingdom ,and she will be back with her daughter who has gone on before her. She was a great lady and will be missed so awful bad,but we find comfort in all she did and was ,and look forward to being with her again. I love you sissy joan you are forever in my heart see you later. Signed your sister Lois.
