“ Lorie,

We offer our heartfelt sympathy for the loss of your Mom (and my sister). Ken and I tried to make it there for the service but just found out this morning that the dates changed. We cancelled our flight reservations after failing to find other means of getting there in time. Please rest assured that we share your sorrow and feel confident that she is in Heaven, a wonderful place to be.

“ Joanne made many trips to take my sister and I to church when we were children. She was a fantastic role model to women and such a joy to know. Sending love to Lori and the family. What a loss for us and gain for heaven.

“ Dear Elsie and Family,
We are so shocked and saddened by the death of Joanne. We loved her much and shared such a close bond with her. I cannot imagine not seeing her again at Retreat. But I know Heaven is rejoicing because of her home- going. You and your family will be in our Prayers.
Our Love and Blessings,
Charlene and Ouida

“ She was so special to me. My only regret is not taking more time to be with her. My favorite memory of her is when I was younger and I would spend the night with her, she and Charlie would tell me Goldilocks and the Three Bears. I love you
