“ *We called him "Uncle John". I have fond memories of our "vacations" to London, Kentucky from South Bend, Indiana. My dad (Marion Radecki) and mom (June Radecki) would load all us kids (7) in the station wagon and drive straight through to Kentucky ... we would only stop when the gas gauge read empty (or slightly below empty). Uncle John was one of the kindest and gentlest people ever. We all know he is in a better place now, but it still hurts. This world will miss him dearly.*
