“ *I didn't know Johnny very much but when I was 14 he used to have a guitar shop in pittsburg and he was good to me. He made sure I had a little amp and electric to start with. I seen him years later at the London flea market when I was at Melvin's music and he remembered me. He was a good dude and I wish I could have spent some more time with him. Rest in peace Johnny Burkhart*
