

Jonathan Daniel Baker

June 19, 1960 - September 24, 2018

Jonathan Daniel Baker went on to the next phase of eternity on Monday night, September 24, 2018. He left behind countless people who love him, including his beloved wife Rhonda Pingleton, 3 beloved daughters: Leah Denise Harp, Jonnah Dee Baker, and Laurel Danielle Class, 2 beloved sons: Lee Harp and Zachary Class, his beloved granddaughter Chloe Elaina Harp, his beloved siblings George Baker (and Kim), Matthew Jones (and Faye), Christy Woodcox (and William), his beloved friend and mother of his children Barbara Baker, and his beloved doggies Poppy, Joe Bob and Freddie. He lived an abundant life of loving relationships, passion for the Lord, and joy in the big and small things. He loved with the love of the Heavenly Father, as his family and friends know well. He cheered loudly and emphatically, especially for the Kentucky Wildcats. He was incredibly well-read (and probably could have won Jeopardy, especially if the theme was Andy Griffith). He made the best french toast. He was a great singer, ping pong player, and, when younger, he was a very good pitcher in baseball. He was very competitive! He had a wonderful sense of humor. He also loved listening to music and had an encyclopedic knowledge of both classic country and classic rock songs. He retired from GE Aviation in Evendale, but his main vocation was empowering others; he served in addiction recovery programs and was active at Southbrook Christian Church. Death does not have the final victory! God, grant us the serenity to accept the things we cannot change, the courage to change the things we can, and the wisdom to know the difference. One day at a time.

“ We are coming up on the 6th month anniversary of my dad's death next week. It is good to revisit this page and feel all of the love. I still miss my dad so much, and I don't think that will ever change. A part of me feels missing, but love is filling in the gaps. Whoever reads this, I hope you feel blessed by the memory of my dad. You are loved and never alone. He is still with us, in a different way.

I love you Daddy.

Jonathan was both an inspiration and a mentor to me. He helped me in so many ways and never expected anything in return. I will miss my friend deeply...
