“ No words can explain just how great of a person Jonathan was him and my son Michael Boone was great friends along with the rest of the group of guys he spent alot of time at our home.and was always respectful and always had a smile on his face.Since then the guys have their own families and didn't see other much. But Michael and I talked about the old times from time to time. I just seen Jonathan on March 30th he was pumping gas I got to give him a hug and I told him that we all loved him. I wouldn't take nothing for that day and am very Blessed that I got to see him. I have a sister name Becky that Jesus called home 7 yrs ago,and she also was very fond of Jonathan so now they are both in heaven together. Arlie and Pam and family my thoughts and prayers are with you all I know no words can begin to explain what you all are going through.Just know that my family and I love you all and anything that we can do let us know our no. is 215-3492 Always Cindy (Boone) Mullins & family
