“ Words fail to express my sorrow for your loss. Josh was a great friend and person worked with him at Walmart. Have so many memories of him all the nights we'd go to lunch with a crew of fellow friends and have a great time.

“ *I have so many memories about Joshua but, the plant behind him in this photo he planted for us maybe 3 years ago..i named the plant the Joshua tree after him..he actually redid all the landscaping and did an amazing job..this year we had a friendly visit from a crow we named knight..he loved that bird he came and went but from time 2 time would play on the Joshua tree..it always brought a smile to his face..and when our friendly winged flew off..we had the best day and couldn't wait to come back home for our nightly visit from our friend...and we both fell in love with this Crow named knight..*
