“ Aunt Joyce was always there after my mom passed to give comfort or advice, or just to laugh about life and getting older. We always said we need to laugh instead of cry. I have missed her so much these last years that she struggled with memory. I feel so blessed that God allowed me to be the niece of this bright light of a woman. My life is so much better to have known her. I love her and will never forget her. Uncle Jakie, Joey, Jeff and Marybeth, you all are in my heart and in my prayers.
