“ I did not know Ms. Jones, but I know Denise and her daughter Julie and her family. Denise and Julie are the most kind and sweetest ladies that I've had the privilege to know. I assume Ms. Jones was like that and her traits continue on thru Denise and Julie. Prayers of peace and comfort for her family.

“ I will always remember Tootsie' big warm smile, her sweet personality, her laugh. I spent many days and nights of my youth at her house and always admired how she dealt with things with grace and taste. There are so many memories of spending time with Denise and Paula - from talking about Star Trek and our favorite characters, going to basketball games and Paula keeping me from failing Algebra. This is a family dear to my heart. My most sincere sympathies - know that I am thinking of each of you during this time of loss.
