“ *Love my mamaw sooooo very much! She is no longer struggling to remember, she knows each and every one of us. She is thinking clearly once again and rid of the illness of alzheimers that robbed her of her most precious memories. I am so so blessed to have been a part of such a special legacy! I LOVE YOU SO MUCH "MEEMAW" You touched so many and will be missed...until we reunite again in Heaven. Rest easy my Angel 😊*
