“ I just wanted to say that I did not even know Kathy had passed over into eternity until days later. I would have paid my respects and supported Larry and both sides of her extended family in any way that I could. She was a wonderful person and such a great match for Larry. I will be remembering You in prayer, Larry Keith. God is sufficient to carry you through this sorrow and renew your joy in the future.

Stephanie, I was so sorry to hear this yesterday. I've known and worked with Kathy for many years. We shared a lot of laughs and good times together. Your Uncle Bill and Kathy set my husband and I up on our first date. She was such a sweet person and friend. God Bless all of you. My prayers go out to you.

“ I have many special memories of Kathy. We cheered together in elementary school and spent days together, shopping for her attire for the Nibroc pageant. We had our first drink of moonshine together and laughed enough for a lifetime- in one night. Those days were special for sure. As much fun as we had, I loved seeing the smile on her face in more recent times. Kathy will always have a special place in my heart.
