“ *I have so many memories from our childhood on up until the day you left me. It was such a blessing having you live with me and take care of you. I love how you love my grandkids and would tell them big tale about taking them hunting ( especially swamp hunting ) whatever that may be. My grandkids and grand babies love you so much. You will never be forgotten. Left me way too soon. I just wasn't ready to let you go. I love you so much! Way beyond measure.*
