

Kinna Lou Cathers

January 20, 1970 - January 11, 2020

Kinna Lou Cathers, age 49, of East Bernstadt, Kentucky departed this life on Saturday, January 11, 2020 where she stepped into eternal rest with her Heavenly Father.

She leaves behind her parents, Kenneth Cathers & Wanda Sargent Cathers, two daughters Kindra Cole & husband Darin, Amanda Robinson & husband Josh; two brothers, Roy Cathers & wife Judy, Lane Cathers & wife Linda; two granddaughters, Ezra Dean Robinson, Armina Kinsley Cole; plus, a host of other family and friends to mourn her passing.

Kinna Lou Cathers was a member of Omega Worship Center in London, Ky. Her greatest love was JESUS Christ and if you spent much time with her it didn't take long to figure that out. She loved her church and volunteered a lot of her time for special events. Kinna was a selfless person with compassion and love for all people. She was always willing to help others and never met a stranger. She loved her animals, had a passion for worship music, enjoyed spending time gardening and being outdoors. What made her most happy was being called "Nana." Spending time with her grandchildren, Ezra and Armina was the highlight of her days. She often stated that her children and grandchildren was her life and greatest accomplishments. She was very proud of them. She had a great love for her parents as well. Kinna had a fun-loving free spirit with a laugh that was contagious. She had a very outgoing personality, very funny and amusing. She had a way of filling you with laughter

even on your worst day. She enjoyed family dinners, being with friends, telling stories about her daughters and the pranks she would pull on them during school years. Kinna will be dearly missed by so many, but her memory will live on through the hearts of those who loved her. Although we are mournful, we need to rejoice and be happy for her because her soul is forever with her first love, our heavenly father! Let's celebrate her Home!!!!!!!

“ My Aunt (my second mommy) gained her wings today. This woman was so sweet. She taught me many life lessons. God Im going to miss her so much . She loved her all her girls . Kindra Cole Amanda-Josh Robinson even Me. And all the other adopted kids through out the years . Every kid she met was hers. Thats just who she was. There was always conversation when she was around. Most of the time she was just as silly as us girls was. God let her rest in peace until we meet her sweet face again. I love you Kinna Lou Cathers. I miss you so much already. “ Momma was an amazing woman words cannot describe how precious she was from the way she loved, the way she laughed, the way you could talk to her about anything and not be judged. She would let you be you, the way her favorite color was purple, the way she smelled the way she loved my husband Darin and called him bubby the way she Worshipped in church so freely, the way she was mom to everybody, the way she came up with the craziest phrases, the way she told stories was very entertaining and man could she make you laugh, gosh I'm really gonna miss that! I love how she made up songs about us that was funny, I admired how she would dance and sing and play with Ezra and Armina, I especially loved the way she loved them and watching them love her. One thing I will miss the most is seeing momma walk through the church and the babies running to her and actually fighting over her lol Ezra would tell Armina “that’s my Nana” I miss her voice, her smile, her brown eyes, her solid black hair, her little hands, her little feet, her soft touch, hearing her pray, just too many things to list this is just very few but I wanted to post something. Thank you momma for everything you did for us we are so proud of you! You was a great mother and Nana. Thank you for all you went through to fight to stay here with us and the love you have given us you were gone to soon but GOD knows best and HE wanted you home you will always be remembered and loved by us! I know you will be watching over us in that great cloud of witnesses and you just keep cheering us on momma because JESUS will have us all together one day and you won't ever have to leave us again!!!!!! Until then I pray I will see you in my dreams and I will keep all the things we have talked about in the last 3 weeks and the memories I have of you and ponder them in my  there will never be a day that passes that you will not cross my mind. Armina will know you and she will know how much she was loved by you!!! I love you mom!!!!!! You took a piece of me with you last heart beat and I will not be complete until I see you again. I will tell everyone your story of the Angel you saw and the amazing things GOD did through and for you!!! Ps did GOD let you have ALL your animals  I imagine you on a heavenly farm!!! 
Love you my Precious little momma!!!

“ *Kinna was the best second mother any one could have. She treated me as if I was her own daughter after my mom passed in 2017. Momma K was always there when I needed her for anything. Especially. prayer for strength and courgrae to do the things I needed for God. A lady beyond words with a love for life, family, and God.
No one can ever replace the love I have for her. She will always be my Momma K.*
