“ I'm sorry to hear this. Larry was my sales manager years ago at the Chrysler dealership in London. I learned a lot from Larry. Was one of the best. I've thought of him often through the years. My condolences to the Catching Family. You are all in my heart, thoughts and prayers.

“ *I'm very saddened to see that my buddy Larry has passed on to the other side. I worked with Larry for many years in the car business. Larry was a great friend and mentor to me. He always treated me like part of his family. I know he will be sorely missed by his friends and family. I hadn't seen Larry in many months, but I miss him already! May God comfort Bernetta and the family in the coming days! Ole friend, we'll meet on the other side one day and fish on the banks of Heavens bright shore.*

*Visitation for Larry was last night. The steady stream of people was evidence of how loved and respected Larry was. He gave so much to so many people that no one knew about. I can't say how many people said the same thing when they heard that Larry had passed away. That was "He was so good to me."
I really can't imagine life without Larry, because he was bigger than life. He will be so missed by so many. RIP my dear friend. I loved you.*
