“ Lauren will definitely be missed. I first got to know Lauren from soccer. She was Rachel's first soccer coach. Was always willing to do whatever she could to help anybody. Always had a smile on her face. To know her was to love her. Prayers for you all during this most difficult time.

“ I met Lauren back in 1978. We became friends while raising our children in Naples. She was a very fun, loving, and a great mother. We would laugh at how uncrafty I was and how crafty she was. We started a young youth group at Covenant Presbyterian Chruch for elementary and middle school children. We had hayrides track events, and lots of fun and silliness while praising God. I was blessed to share time with her. God speed.

“ Lauren was so bright of a light that she radiated into countless people’s lives. A smile was always on her face and on yours as you visited with her. Lauren was like a second mother to me and I was always welcomed with open arms like one of her own. I will carry her memory with me everyday through all the joys and trials. She pushed me to be my very best and to love unconditionally. Her legacy will go on forever. My guardian angel “mom” now! I love you always and forever!
