“ *My husband has been employed by Leroy for almost 20 yrs , not only was a wonderful boss but more a friend or family member. I traveled a lot with my husband when our children were young and many of those trips a lot of fun and loving memories were made. No one could have ever ask for a better man to work for than Leroy. He didn't treat his employees as that, he as well as Patty treated them/us all as family. Leroy not only was a mentor to my husband but also like a father to him. I know my husband as well as all others will miss Leroy a lot. Always laughing... That's the way I will forever remember him. Our sincere condolences to Patty, Kevin and Craig..*
