“ I never got to meet you, but we were brought together via one circumstance after another...you reached out to me and I, to you...to a half sister I never knew. You were always sweet and sincere and we shared a faith in our Lord Jesus Christ with whom you now share a seat beside in heaven. Your love for your family shined through your messages and it sounded as though you have lived a wonderful, loved life! May you rest in peace and know that someday we WILL meet! Until then, yours in Christ, Love Kay
