“ *One of my dearest friends who has a special place in my heart... distance and life separated us and halted our communication but my love never wavered. You were in my thoughts and prayers often. I met you at preschool with your babies. I took your babies to church and gradually with much persistence gained you as a sister in the Lord and your friendship as well. I was overjoyed when you gave your heart to Jesus. I'm so glad I was persistent after you telling me you didn't have church clothes to wear; i brought you that dress and shoes. I'm so broken....I wish I could've given you one more hug, told you I loved you...told you goodbye..... I love you Lisa Turner. Always have...always will.*
