“ *My heart. One of my favorites I've ever cared for. I hope it's exactly as she once told me it would be like when she got to heaven. She said there'd be so much love at that reunion with her lost loved ones that heaven would shoot rainbows through the sky! I will miss her immensely and I'm so sad I didn't get to show her our wedding photos. She was waiting so patiently! I'll never forget her crying when I tried my dress on at work for Marlene to hem it. She was so happy for me. I love you Miss Jean. I will cherish every moment we had. ❤️*
