“ I should of came and visited you while you were still alive. The pictures I see of you and your smile reminds me of my mom Freda. I'm sure you were a Great Mom and Grandmother. If you were still here I would tell you Thank You! Thank You for having to make such a hard choice for giving your child a life you couldn't give her and for giving me a Grandma who loved us so much! I pray Jesus will give you that message from me. Thank You!
