“*Lucy was such a kind soul. I worked with her once, and let me tell you, she was one of the most amazing people I ever worked with. She was a loving mother, wife, daughter, and friend. Lucy's kind heart made such an impact on me and many others. She is such an angel and it is really hard to accept this tragic death. May she rest in peace.*

Lucy was an amazing mother, wife, grandmother and friend. She has such a kind and beautiful heart and life. I will miss her dearly. She lived such a long life and affected so many people positively in her life. Even though she's not with us today she will is in our hearts and minds. Her soul was so pure and beautiful. I love her forever and she is in a much better place now with Jesus. I love her dearly and I wish she was still her and I could at least say goodbye. It's really hard to say goodbye even after 7 years later. She always accepted me. May she R.I.P
