“ I feel very blessed to have had Sue in my life for thirty years. I spent time with her most every week of those years doing her hair and visiting. I'd like to say that she was my friend but she was really much more than that to me. She will be missed more than words can possibly express. I am truly sorry not to be able to attend the service being held for her. My thoughts and prayers are with Sue and her family. She will always be remembered by me and my husband John as the beautiful soul that she was. Love you Sue!
