“ To a great Brother in the Masonic Lodge and Oleika Shrine Temple. "Snowball" was dedicated to that which he loved. He will be sorely missed by all, but I'm thinking he's joining with some Brother's he always like hanging out with, that being "Billy Webb and Tom Lawson" whom preceded him in death. These three have past on to the "Great Geometricion of the Universe." Fraternally Thine- Gary Fleming

“ Snowball and I had a lot of conversations. One of the last was in my office and he was telling me how much he had changed and how happy he was with his life. He loved his kids, grandkids and great-granddaughters. Loved showing me photos of them and telling me stories about them. He was also telling me about his church and how he loved it. So proud I got to know him. My love to Bobbie and family.
