“ Kay, I am sending you my deepest sympathy. You and your mother have always been very special to me. Whenever I needed your mother, she was always there for me. I treasured the times I was able to just sit and talk with her. I love you and you are in my prayers.

“ Mary was a Saint to me. When my grandma passed away she took me home with her to spend a night or two, Kay was only an Infant, Mary wanted me to be comfortable so she had me sleep in Kay's baby bed, she petted me, fed me and let me do anything I wanted to do. I thought she was the grandest person ever. I will miss her
