“ My 4-year old granddaughter, Violet Hoskins, loved Mary. She met her while walking around the apartment complex with her Grandpa. She had to go see Mary every time she was out. Though I had never met her, Violet would come back to our apartment and tell me she had been to see Mary. Violet will miss her greatly. Only a few days ago, she told her Grandpa that she was worried about her and needed to go see her. We will explain that Mary is in a better place.
