“ *When my brother was killed in 1971...Mary Sue would stay with us to help my mom get thru that tragedy...she has always had a heart of gold....her & Johnny we're going together at that time I think.....they would sit together & of course my twin sister & me would giggle & tease them....neither one ever lost their patciece with us or even get mad...they would just smile.....two of the best good hearted clean living people I know!
I love them both very much!*
