“ The first time i met Mattie was in the parking lot at Manchester Hospital my cousin Blue mother was in the hospital and her and T was there to visit. Blue told Mattie he was trying to get me to come to church and she witness to me. I never will forget how spirtual she was. That was about four years ago i am so glad i met her that day. I loved to watch her in church she was so open about how she felt about God. I know she is in Heaven i will see her again someday.
