“ Mike was a very special person in my life, although we were kept apart for a while because of someone working for the Devil. But we had finally hashed thing's out a couple of months ago thank God, It was so good to sit and talk again just like old times. Mike will be greatly missed by everyone who had the pleasure of knowing him, he could always make you laugh and smile, he was a one of a kind friend with a heart of gold who loved everyone ,and now he is singing with the angels, fly high my friend and rest in peace.
Love you always
