“ Dear Doug, Parry and grandchildren,
Nadene and I graduated together in 1956 and have been friends ever since. In recent years we have kept in close touch by email and periodic phone calls. Our friendship has deepened and become cherished by both of us as we shared our lives and political opinions and found that we had a lot of things in common. I would have come to Danville to see her after I knew of her serious illness but a recent knee replacement made it impossible for me to travel. I know she is at peace as she was in facing her coming death. She had a vibrant faith and was very strong and brave. I will miss her. My thoughts and prayers as you adjust to life without her physical presence.

“ Doug & Patti,
Please know that you and yours are in our prayers. Diana and I had the privilege of going to church and having lunch with your mom before she left London about 4 yrs ago. We had a great reunion. She and Harse were wonderful folks who shared Christs love in all areas of their lives and we were grateful to be a part of that for many years through Calvary.
May God bless each of you in the days ahead as you adjust to life without your mom.
Yours,
Bud and Diana Burdette
