“ *Becky and I first met Nannie and her siblings when they were all small, living with their dad, Greene Edwards and their mom Minnie, and the first Christmas that our little church on Teges took toys to the kids for Christmas. We've not forgotten you all. I regret that we will not be able to attend the funeral, but will be praying for all the family. God be with you all. J.C.& Becky Stevens.*

“ I have never walked into Nannie's house without the comforting smell of food cooking. She always made sure there was plenty for everyone, and if there wasn't, she'd whip up more without hesitation. She welcomed anyone and everyone with open arms, always sharing an abundance of love. A devoted mother and a loving wife, she touched so many lives. We will truly miss her. Sending all our love and prayers to her family. - The Dye Family

Nannie, came into my life in 2017. She had helped heal parts of me that I didn't know I had. She loved me so hard! She was a pillar of our family, I loved to hear her laugh and sing. She was a wonderful mother and grandmother she is already deeply missed. I'm so thankful for the time I've been blessed to have her in my life. Time isn't slowing down for anyone. Until I see you again Nannie Byrd I love you forever and always
