“ I have such wonderful memories of Nell. She was one of my very special friends as well as being the mother and wife of my bosses at Institutional Distributors. I enjoyed and miss our lunches at the Charcoal House. I miss our chats on the phone and in my office. She was truly a sweet lady, and I miss her. My sincerest condolences to the family who in so many ways feel like my own family.

“ Sweet Children, I wanted you know how much I loved your mom. Even tho there was an age difference we still had great fun together. I visited with her, Randy and Randal in the summer in Princeton and we had adventures. Our visit to London with my Mom and family was great fun. I always looked forward to her being with us at our family reunions at Camp Creek. I've missed her and shall continue too.
