“ *Aunt Christine was always very nice to me every time we saw one another, which was unfortunately infrequent. I always greatly appreciated her checking on how I was doing whenever she spoke with my mom Pat Stroud (who we just lost back in November 2024); that always meant a lot.*

I love and miss her.

“ I am so sorry to hear of Christine’s passing. She and I were good friends as well as cousins. We had good memories together. Christine and I spoke on the phone when she lost her two sisters. It grieves my heart that there will not be another conversation.
