“ *Mamaw I sit here not knowing what to do with myself without u being here to take care of. You have been around my whole life and only gone hours now, but your absence is without a doubt going to be the hardest one of all our lives. You have been such a great role model to us all and if any one of us makes it to be half as good a person as u were then that's saying a lot. Mamaw we love and miss u more than u will ever know. Love, Angel, Kristi & Michael*
