“ My best memories of my sister were whenever we were just sitting around as family talking, singing, laughing. Jean had the best laugh, and it was so contagious. She would laugh so hard, tears would run down her face and sometimes she would roll on the floor hysterically funny. Needless to say we all ended up joining her in laughter. I hear you laughing in heaven sis and all the angels are joining in. Sweet peace and we will see you again one day

She sure did Patty!
Sliding out of our chairs and Jean laughing so hard she "snorted" like mom did when she laughed that hard.
Laughing, singing and fighting... That's what we sisters did, that and love forever too.
I love you Jean.....With all my heart...
