March 20, 1931 - March 11, 2020

Norma Jean Whitis

Born March 20th, 1931, died March 11th, 2020 at the age of 88 yrs.

On March 11th 2020 at 12:01 am., Norma Jean Whitis passed on and left this earthly world, leaving behind her husband Clell Whitis and two sons, Evan and Scott.

Jean Whitis was born Norma Jean Eversole. Her birth parents were Lida and Scovall Eversole. Adopted and raised by her aunt and uncle, Mattie and W.R. Feltner, whom she loved dearly as her mother and father. She dearly loved her cousin Margaret, whom she called sister. Jean was raised in London KY. where as a young girl she met the only man she would ever love, Clell Whitis. They married just after graduating high school and were together 73yrs.

Jean was the mother of two sons, William Evan and Scott Edward.

Grandmother of four, Jacqueline, Alanna, Tagen, and Jax. Great grandmother to Parker and Cora.

Mother-in-law to Annemarie Napoli and Sherry Whitis.

Half-sister to Carla Brock Patterson and Helen Wharton.

Norma Jean Whitis was the heart and soul of her family, and there was hardly ever an instance of a life question where she would not be consulted. She and

her husband lived a wonderful life together with many adventures and successes. They owned and operated many businesses together after she completed the business of raising her two boys. Jean was a perfect mother, always ready to be a part of her family's' life in any way. Always ready with advice or an understanding ear. Her job of being a mother was a very hard one because both of her sons were nowhere close to being well behaved, but she put up with their wild behavior and was the perfect role model and friend always.

Jean lived a long and healthy life. She believed in our Lord God, believed in true love, and believed in the importance of family. After a short stay in the hospital, Jean came home and spent the last month of her life under the care and love of family and passed quietly.

Jean will be buried at Chaney Cemetery outside of London, KY. Service will be held on Saturday Oct. 10th, 11:00 am.

This obituary was provided by the family of Norma Jean Whitis.
